FEES for Solid Waste Management Services 2006

Lusaka City Council has concluded **Franchise Contracts** for waste collection for **all** conventional housing and industrial areas. On basis of the Lusaka City Council (Municipal Solid Waste Management) By-Laws, 2004, everybody has to use and pay for the services provided by the franchise contractors.

For the twelve (12) waste management districts the following companies hold a contract with the Lusaka City Council and these companies are allowed to charge residents for weekly collection (as maximum) the fees listed. Please note that additional fees for supply of black bags or dustbins may apply.
